

## PREFACE

The Town of Baileys Harbor has the power to govern according to the provisions of Chapters 60 and 61 of the Wisconsin State Statutes, laws amending those Chapters, other acts of the Legislature and the Constitution.

The Baileys Harbor Town Board by a process established in Chapter 60 received the authority to obtain village powers from the town electorate at the Annual meeting of April 5, 1977. The authority gave inherent or implied powers to the Town Board to enact and enforce ordinances to protect public health and safety.
